Sales Bulletin: 2008-25DDC

March 25, 2008

April 28, 2008 US Commercial and Retail Ceilings Price Bulletin

Effective Monday April 28th, 2008, the prices of Armstrong US mineral fiber and glass fiber ceiling products will increase by 6%.

This action reflects increases in raw materials such as natural gas, substrate ingredients and increased transportation costs.

For Commercial customers:

Please use the following escalators for projects you quote into 2008. Escalators are guidelines, not commitments.

- **Commercial Ceilings and Architectural Specialties price escalators**
 - +5% for quotes on or after December 1, 2008
 - +5% for quotes on or after June 1, 2009

We look forward to servicing your business.
